Multilingual Iconographic Professional Interests Inventory

Diego Boerchi, Paola Magnano

Inventario Multilingue Iconografico degli Interessi Professionali

Istruzioni

Qui di seguito troverai rappresentate una serie di professioni ritenute più o meno interessanti da persone diverse. Le immagini sono accompagnate dal nome della professione in più lingue.
Ti chiediamo di guardarle attentamente e di indicare, sull'apposito foglio risposta, quanto ti interessa ognuna di esse usando la seguente scala:

① Per nulla interessante
② Poco interessante
③ Abbastanza interessante
④ Molto interessante
⑤ Estremamente interessante

Se non conosci la professione, puoi indicare:

⓪ Non la conosco

Non ci sono risposte giuste o sbagliate. La risposta corretta è quella che indica il tuo reale interesse alle professioni che ritieni di conoscere.

Diego Boerchi, Università Cattolica del Sacro Cuore di Milano – Paola Magnano, Università degli studi di Enna "Kore"
